Re: The Shooting Investigation of Maurice Knight (CCR#2025-0631919)

Dear Chief Weber:

The State Attorney's Office has commenced its initial review of the officer-involved shooting investigation concerning Maurice Knight. Based on the facts and circumstances presently known, our office has determined that public release of the body-worn camera footage at this time could compromise the integrity of the ongoing investigation. Accordingly, we ask that the footage not be released at this stage.

Our office is proceeding expeditiously with this review. As soon as we are confident that disclosure of the footage will not affect the investigation, we will so advise.

Should you have any questions, please do not hesitate to contact me.

We appreciate your cooperation in this matter.

Sincerely,

Chris Huband
