Re: The Shooting Investigation of Maurice Knight (CCR#2025-0631919)

Dear Chief Weber:

The State Attorney's Office has completed its review of the officer-involved shooting of Maurice Knight. On November 3, 2025, our office requested that the body-worn camera footage not be publicly released to maintain the integrity of the ongoing investigation. After completing the review of this incident, our office has now determined that the release of the body-worn camera footage would not impair the integrity of any additional investigation into this matter.

While our office understands that the body-worn camera footage is the property of the Jacksonville Sheriff's Office and is generally subject to public disclosure, it should be noted that Mr. Knight's family has asked that the footage not be publicly released.

Should you have any questions please do not hesitate to contact me.

Best Regards,

Chris Huband
