Re: The Death Investigation of Daniel Neal (CCR#2021-107131)

Dear Chief Dingee:

Our office has begun the initial review of the death investigation of Daniel Neal. Given the facts and circumstances known at this time, the State Attorney's Office has determined that the release of the body-worn camera footage would not impair the integrity of our investigation.

However, during our initial meeting with Daniel Neal's next of kin, the family expressed concerns regarding the public release of the body-worn camera footage. The family is represented by Christine Michel, Esquire. Ms. Michel and the family were instructed to pose any legal objections regarding the public release of the body-worn camera footage to the Jacksonville Sheriff's Office or the City of Jacksonville, Office of General Counsel.

Should you have any questions please do not hesitate to contact me.

Best Regards,

Mark Caliel
